James T. Laney School of Graduate Studies

- **Over 40 doctoral and master’s programs** across the humanities, the social, biomedical, and natural sciences, public health, nursing, and business
- **Extensive research collaborations** with the U.S. Centers for Disease Control and Prevention, the Yerkes National Primate Research Center, The Carter Center, and others
- **Emphasizes interdisciplinary training and professional development** through innovative programs and partnerships as well as robust programming that prepares students for professional success
- **Full support** — tuition scholarships, generous stipends and health insurance subsidies — for up to five years of graduate work. In 2015-16, the base stipend is $22,000; with merit-based supplements, stipends can reach more than $34,000.
- **Awards more than 200 PhDs and 120 Master’s degrees** each year
- **Over 1,800 students enrolled**, including more than 350 international students representing over 50 countries
