

TRIO-EOC First Generation

TRIO-EOC

The Dream TEAM

It was a dream last year when First Generation was birthed from TRIO-EOC which included a panel discussion of successful truths along with many invited First Generation participants, in the person of students. This memorable day was topped off with lunch. Thank you to our DREAM TEAM visionary, Ms. Linda Fuggs, and our advisors, Mr. James Hearn and Mrs. Wendy Weaver. We would also like to give appreciation to the DREAM TEAM officers, especially Ms. Monet Eason, the TRIO-EOC Director Ms. Delta J. Saulsberry, and the student panelist. Thank you also to the various WSU Departments that so willingly supported the event.
